

Dear Parents,

Thank you for your interest in Luther Memorial Preschool!

At Luther Memorial Preschool, we strive to provide high-quality Christian preschool programs for young children. There are several crucial elements, which enable us to provide a wonderful, enriching and stimulating program. The most important element is educated, experienced and dedicated staff. All of our staff have earned a degree in early childhood or a related field and have experience working with young children. Also critical in our ability to provide quality, are our low child-to-teacher ratios.

Luther Memorial Preschool has two classrooms. The younger preschool class is composed of a maximum of eight children between the ages of twenty-four months through age three, with one teacher. The younger the children enrolled in the class, the lower the child-to-teacher ratio. Children in the younger classroom do not need to be potty trained in order to attend. Children three and a half through five years may enroll in the older class. The older class is no larger than 18 children with two teachers.

The preschool uses a theme-based curriculum, which is driven by the interests and developmental needs of the children enrolled. The program offers a delicate balance of teacher-directed and child-directed activities, giving children opportunities to explore their classroom environment and play in areas that interest them. The teacher's role, after setting up the classroom with a range of activities, is to facilitate learning and play.

Children are not the only ones presented with choices at Luther Memorial Preschool. The program offers a great deal of flexibility in preschool scheduling in order to accommodate each family's needs. Children may attend our program a minimum of two mornings per week up to the full-time option of early morning drop-off and extended day, five days per week. The choices available are listed on the back.

If you would like to enroll your child(ren) in our program, please complete the registration packet, sign the enrollment contract, attach a \$ 50 (per family), non-refundable registration fee and return the packet to the director. Registration will begin in early February and ends when all spots are filled. In order to hold a spot for your child, a \$ 250 deposit is needed by May 1, 2012. If the classes you prefer are filled, you will be notified regarding other options and a possible waiting list.

Luther Memorial Preschool has an open door enrollment policy and would like to welcome all children. If your family has difficulties paying the tuition, please speak with the Director, as scholarships are available.

# LMP Enrollment Options 2012 – 2013
