

## ***Giving, simply done.***

Consider making your pledge and gift online this year. It's a safe and convenient way to ensure your giving is uninterrupted when you can't attend in person.

Start by going to **<https://www.luthermem.org/pledge>**

- If you already have a user email and password, click on SIGN IN.
- If it's your first time, you may be prompted to complete a one-time REGISTRATION. Once you have registered, a confirmation email will be sent with your login credentials.

## Some things to know

### **Have fun!**

You can make changes to this online form until you are ready to click the blue SUBMIT button at the bottom. Feel free to click and unclick boxes, change selections, and explore. You'll discover that clicking on certain boxes will sometimes reveal additional information pertinent to that selection.

### **Updating a preexisting recurring gift**

If you want your new recurring gift to replace an existing one, you can do one of these things:

- Check the first button under REQUESTS on the online pledge form. This tells me (Suelyn) to update your online giving account for you, to prevent overlapping or duplicate donations in 2024.
- Update your own account. You'll need to be signed into your online giving account to do this. From there you can modify or end an existing recurring gift setup.

## Can't remember your password?

From the SIGN IN option, click on **Forgot Password?** and a temporary password will be emailed to the email address you've provided. Once you sign in with the Temporary Password, it will prompt you to create your own new password.
